# KEYS TO SUCCESSFUL PIANO PERFORMANCE™

Dear Teacher:

Welcome to William Workinger & Ed Sueta's Keys To Successful Piano Performance™! We look forward to providing you with a satisfying, rewarding and enjoyable learning experience for your piano students.

The five volumes of Keys To Successful Piano Performance™ present a logical, gentle sequence of concepts which are carefully reinforced to maximize student success. Varied songs and lyrics (original, folk and classical) enhance your child's interest and enjoyment. The Color Coded Paths - Songs (blue), Finger Patterns (purple), Rhythm Patterns (red), Music Theory - Notes, Terms & Symbols (green) and Historical Views (yellow) - are designated by brightly colored lettering or boxes. These paths develop technique and music comprehension. Strategically placed theory exercises provide a fun review of learned concepts.

The books offer clean, uncluttered typography with delightful, enhancing art. Musical concepts are presented in standard musical terms, allowing you maximum latitude in applying your teaching philosophies.

This piano course, a caring teacher, supportive parents and a good instrument will open a lifetime of joy and achievement to young piano students. We offer our best wishes for musical success to you and your young musicians.

Musically yours,

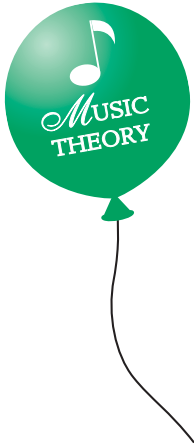

*William Workinger*  
*Ed Sueta*

**Dr. William Workinger** holds an M.M. degree in Piano Performance from the Manhattan School of Music and an Ed.D. in Music Education from New York University. For over 30 years, he has been an accomplished performing keyboard artist, teacher and music administrator. His extensive teaching experience spans pre-school through the university level.

**Ed Sueta** is founder and editor of Ed Sueta Music Publications, Inc. and Macie Publishing Company. He received his B.A. from High Point University and an M.A. from The Teachers College, Columbia University. Ed draws on his vast teaching experience and learning research to create publications which incorporate effective teaching techniques to ensure student success.

**Keys to Successful Piano Performance™ contains the following unique features which make it an outstanding choice for you and your piano students:**

- Utilizes a unique teaching approach based upon years of experience gained through piano instruction and learning research
- Flexible structure and universal musical concepts enable teachers to incorporate Keys To Successful Piano Performance™ into their own methodology
- Traditional, classical and original pieces combine for a vibrant and appealing repertoire
- Carefully sequenced and reinforced concepts lead students comfortably through new subject matter
- Clever, colorful and imaginative illustrations add to student enjoyment
- Five color coded paths enhance music understanding: Songs, Finger Patterns, Rhythm Patterns, Music Theory (Notes, Terms and Symbols) and Historical Views
- CD (included with the method book Levels 1-3) contains fun Play-Along accompaniments. The tracks for each song are played at two speeds - first at a slower, preparatory tempo, second, at a performance tempo
- CD comes with license to download to a portable media player (such as an MP3 Player or iPod®)
